

Call for Papers

The academicians, scientists, engineers, industrial professionals and researchers from all over the world are invited to participate in **ROMAT 2026** by their unpublished and original work.

All abstracts will be refereed and a criterion of rejection will be lack of originality. Successfully submitted abstracts will be acknowledged with an electronic receipt. A condition of submission is that if accepted one of the authors will present at the conference.

Intending author should submit an abstract of no more than 150 words. The abstracts will be published in the conference program.

Each presenting author can submit one abstracts, but can be co-authors for an unlimited number of abstracts.

All abstracts will be submitted to the secretary of each section (mentioned in main topics).

All accepted full papers will be published by the **“The Scientific Bulletin” Series B Chemistry and Materials Science**, edited by University POLITEHNICA of Bucharest, an ISI indexed journal

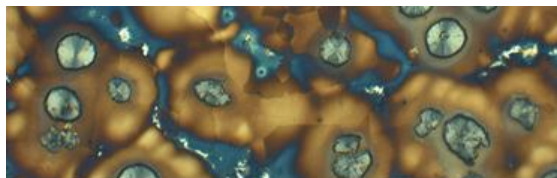

<https://www.scientificbulletin.upb.ro/seria/b>

Also, the Scientific Committee will select representative papers to be published into a special issue **ROMAT 2026** for the journal **Materials**. For these special issues, extra fees will be applied according the journal rules.

Faculty Materials Science and Engineering

Partners

Academy of Romanian Scientist
Romanian Society for Biomaterials

Main Topics

I. Materials Obtaining, Processing and Characterization

Chairs: Stefanoiu Radu, Cojocaru Danut
Secretary: Onici Adrian

II. Advanced Materials for Industrial Applications

Chairs: Batalu Dan, Buțu Mihai
Secretary: Stăncel Domenic Constantin

III. Materials for Healthcare & Medical Engineering (biomaterials & medical devices)

Chairs: Cotruț Cosmin, Miculescu Florin
Secretary: Poenaru Elena

IV. EcoMaterials and Environmental Engineering

Chairs: Matei Ecaterina, Predescu Andra
Secretary: Berbecaru Andrei

V. Engineering & Management in Materials Industry

Chairs: Marcu Dragoș, Semenescu Augustin,
Secretary: Ciurdaș Mariana

VI. Materials for Defense and Security Applications

Chairs: Țigănescu Tudor-Viorel, Miculescu Marian
Secretary: Bița Ana

Invitation

Dear Colleagues,

We have the pleasure to invite you to the **11th International Conference on Materials Science and Technologies – ROMAT 2026** which will be held in **Bucharest (Romania)** from **November 12th to November 13th, 2026**.

ROMAT 2026 is organized within the third edition of **MaterialFEST** - a complex event dedicated to innovation in materials engineering field, that underlies all domains of industrial engineering.

The conference continue the tradition of successful conferences organized every two years by the **Faculty of Materials Science and Engineering from National University of Science and Technology POLITEHNICA Bucharest**, with the support of national and international scientific community on materials science and engineering. The conference will include plenary, keynotes and invited lectures, as well as oral and poster presentations. Speakers from all over the world will present their latest research into the field. The participants will have the opportunity to follow the latest technological developments and related academic research, as well as novel material design and innovative products that will be presented by the companies.

We look forward to meet you all at

ROMAT 2026!

Plenary Invited Speakers

Balaszi Csaba (Hungary)
Turanli Eda Tahir (Turkey)
Hasan Gocmez (Turkey)
Goller Gultekin (Turkey)
Vizureanu Petrică (Romania)
